EXPERIENCE

- **Epic**

Technical Solutions Engineer

Madison, WI

Dec. 2019 - June 2021

- **Customer success:** Supported 6 hospital organizations live on Epic's registration and real-time eligibility applications
- **Technical support:** Investigated technical issues encountered by customers via code walkthroughs, application testing, and code debugging. Documented solution and ensured successful resolution of the issue
- **Project consulting:** Collaborated with customer IT teams to implement new features and develop specialized workflows
- **Incident escalation:** Owned high-impact customer issues from discovery to resolution, including issues within other Epic applications
- **Technical documentation:** Documented customer requirements, technical bugs and broken workflows, application functionality, and user feedback
- **Mentorship and advising:** Provided technical expertise to a customer implementation project, while mentoring the customer's long-term support engineer

EDUCATION

- **University of Wisconsin-Madison**

Professional Capstone Certificate in Computer Sciences

Madison, WI

Dec. 2020 – present

- **Clemson University**

Master of Arts in Economics

Clemson, SC
